Kamal & Roshni

I accept and respect your hand in marriage
for our mutual well-being, prosperity,
and to live happily each day in this lifetime.

I affirm myself as your husband/wife,
and promise to fulfil my commitment to you.
I will take care of you in the best way I can.

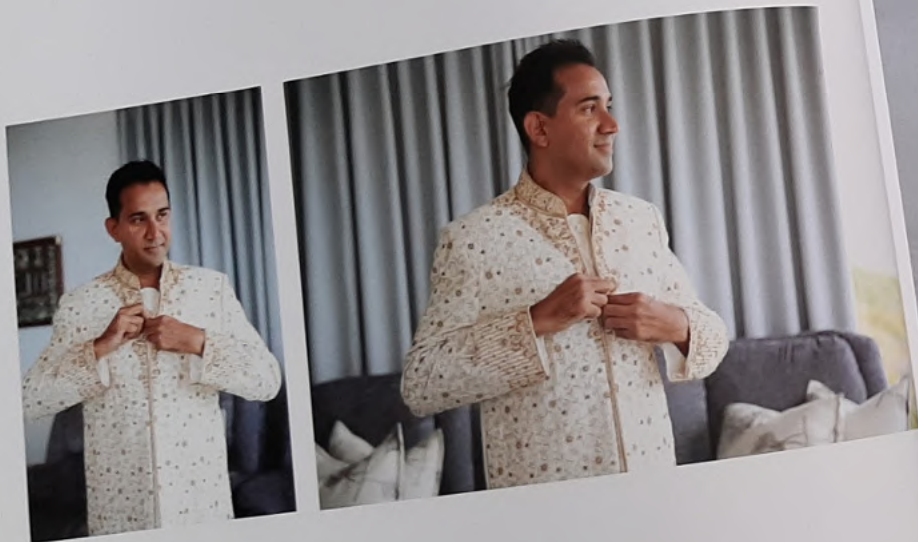

I promise to love and be kind to you
and to always remain faithful and loyal.

I will do all I can to love,
respect and protect you.

May our home be blessed with good fortune
and may it always be filled with love,
laughter, peace and happiness.
